The background features a central rectangular frame with a light beige background. The frame is surrounded by decorative elements: dark teal leaves with yellow buds in the top-left and bottom-right corners, and light brown autumn leaves in the top-right and bottom-left corners. In the bottom-left corner, there are three wrapped gifts: one with pink and white stripes, one with green and white polka dots, and one with blue and white snowflake patterns. The text "DATE NIGHT?" is written in a bold, dark red, hand-drawn font across the center of the frame. Below it, the text "CIRCLE - YES OR NO?" is written in a smaller, black, sans-serif font.
